

## Terms List

This is a provisional, and certainly incomplete, list of class terms for PornO. It contains some indication of where in BFO and CCO each PornO class is expected to fall. Further terms will be added, and the list otherwise modified, as the ontology continues to be developed.

### Material Entity

#### Person

- Adult Film Performer
- Adult Content Creator
- Adult Talent Agent
- Adult Film Director
- Adult Film Producer
- Camera Man

#### Organization

- Adult Film Studio

[Note: Studios are sometimes distinguished from production companies; not sure how to deal with this yet.]

- Adult Talent Agency

- Adult Film Set

- Prop

### Geospatial Location

- Filming Location

### Role

- Adult Content Creator Role

- Adult Film Performer Role

[Note: AFPR is a child class of Contractor Role.]

- Adult Talent Agent Role

- Adult Film Director Role

- Adult Film Producer Role

- Camera Man Role

- Prop Role

### Generically Dependent Continuant

[Note: Most, if not all, of the classes here will be subclasses of Information Content Entity.]

- Adult Website

- Official Adult Website

[Note: Not sure I like 'Official'; considering alternatives.]

- Tube Site

[Note: It appears that some people use 'tube site' to refer to *any* video streaming site, so might need to prepend 'Adult' here.]

- Adult Content Creator Website

## Generically Dependent Continuant (cont.)

- Adult Website Comment

- Adult Film

  - Adult Movie

    - Adult Feature Film

    - Adult Compilation

  - Adult Scene

  - Adult Trailer

  - Adult Content Creator Movie

  - Adult Home Movie

## Planned Act

- Adult Award Show

- Adult Film Shoot

  - [Note: The parent class of AFS is Act of Artifact Employment.]

- Adult Film Production Process

  - [Note: An AFPP has, at a minimum, a AFS as a part, and typically contains other parts (e.g., editing). Classes will need to be added to cover these other parts.]

???

- Adult Award

  - [Note: Awards themselves will probably be distinguished from material entities representing them (such as trophies).]

- Adult Film Genre/Category

  - [Note: It's not clear whether this will constitute a class in itself or whether instead different subclasses of scenes, movies, websites, etc. will be distinguished according to genre/category.]
